

## **May Blossom Cottage**

Holiday let at Knappwoods Farm. This modern very well-equipped annexe has a living/dining room with log burner, smart TV plus DVD player; kitchen, and downstairs WC. Upstairs there's a double bedroom and shower room with WC.

The kitchen has an electric oven and hob, microwave, dishwasher, washing machine/tumble dryer and a fridge-freezer.

Wi-Fi, central heating, towels and bed linen included together with the first batch of logs for the log burner.

There's a patio area with garden furniture and a BBQ, and off-road parking.

Located 5 miles from Junction 25 on the M5 and only  $\frac{3}{4}$  mile from the conservation village of North Curry; pubs, coffee shop and village shop are within walking distance, also easy access onto an excellent network of footpaths and great cycling opportunities on cycle routes or off-road across the levels. Secure bicycle storage is available.

It's a great centre for visiting a wide range of destinations—Taunton, Glastonbury, Wells, Bath, Cheddar Gorge, Exmoor, the north Somerset coast from Weston Super Mare to Minehead, Porlock and Dunster; the Jurassic coast of south Dorset from Weymouth to Lyme Regis or further afield to Dartmoor and the north and south Devon coasts.
