Carols in the Square

We shall be meeting at 6pm on Monday 21st December in Queen Square Gardens to celebrate the start of Christmas week. Wrap up warm and bring a torch or lantern. All ages welcome and carol sheets are provided.

Tuesday Club

The Tuesday Club is now full with 30 members and two on the reserve list. Not surprising when one of our recent meals was hand raised chicken and ham pie followed by chocolate roulade and real fresh raspberry juice. Yummy. The guest speaker on that occasion was fortunate to coincide with the cash refund for the Waverley trip from Ilfracombe so raised the excellent sum of £99.97 for the Children's Hospice. We're rather proud of that. Speakers are always welcome and sought after: a free lunch is offered in return - some say the best in the village. Please contact Dave Patten on 490782.

North Curry W.I.

Our December meeting on the 2nd of the month is one we look forward to as we begin our celebrations for the festive season with a special Christmas tea and entertainment by the Avalonian Free State Choir.

The following day several members are attending a workshop at the Willows and Wetlands Centre where Emma Duke, famous for her beautiful driftwood sculptures, will be helping us to produce Christmas decorations of our own.

On 9th December we travel to Wells, enjoying a Christmas lunch before joining other W.I.'s throughout Somerset for our annual carol service in the cathedral. A week later we meet with our local groups for a united carol service at Curry Rivel church.

As we look back to last month, the W.I craft fair at West Monkton had proved popular with over 300 through the door and our quiz teams enjoyed a lively evening at Curry Rivel with one of them taking second place. Despite having to be arranged on a Sunday this year, our County Annual meeting at Junction 24 was well attended and congratulations to those of our members who took to the stage for the special centenary performance in the afternoon.

We welcomed several visitors to our November meeting and look forward to seeing them again in the New Year when we meet on Wednesday 6th January at 2pm. Meanwhile, we wish everyone a peaceful Christmas and a happy 2016.

Generation and Juice

Two up – one to go!

Solar panels are up and running on the Hall and White Street Pavilion; the School should be done in February with all three producing up to 10 kW each. The Hall has a display meter in the foyer to show the current and cumulative electrical generation from the PV array, as well as the CO₂ emissions saved. This was paid for by the NCCE team and a donation by the Parish Council. We wish to have a display meter at the School too; Western Power has agreed to donate most of the cost, but please be prepared for a small “crowdfunding” exercise to cover the balance!

Apple juice

At the time of writing we have had two days of apple pressing, producing a total of well over 700 bottles for individuals and for Transition Athelney to sell in local outlets. All being well, we will add a few hundred more this Saturday.

It's very short notice but if you get this in time do come along to an informal meeting in the Bird in Hand on Monday 30th November to receive an update on all we've achieved lately and what we're planning for the future. This is the first of a series – keep an eye on the newsletter for later dates.

Little Acorns Pre-School needs your help!

We need a new Chairperson to help manage our community Pre-School

Little Acorns Pre-School is an important part of North Curry. It caters for children from 2 years until school age. We aim to create a warm and welcoming environment in which children are able to develop their social and educational skills.

The Pre-School is a charity and committee run pre-school. The committee provides a vital role in the efficient running of the pre-school, in fact without a committee, Little Acorns would have to close. We need a new chair to help manage the committee.

If you have some spare time and would like to help out, perhaps you have worked in schools, or with children, or have previous experience of managing a business, or other experience. We would love to hear from you. It is a great way to make new friends, and help your community.

We have committee meetings twice a term, and hold fundraising events, and parties for the pre-school throughout the year.

Little Acorns pre-school is an important part of North Curry, and without a fully functioning committee the pre-school will have to close.

If you are interested in the role of Chair, or joining the committee please contact Judy Dawson-Cable, Little Acorns Pre-school Manager, on 01823 491615 or email enquiries@littleacornsnorthcurry.co.uk

Visit www.littleacornsnorthcurry.co.uk for more information about the pre-school.
