North Curry Parish Council

REMEMBRANCE SERVICE: We look forward to seeing you for The Annual Service of Remembrance on Sunday 13th November 2022, gathering at 10:40am. There will be a couple of alterations to the Order of Service this year, reflecting the sad passing of Queen Elizabeth II. Just a final reminder to residents of Queen Square and Church Road who are requested to kindly ensure that vehicles are clear of the War Memorial area from 10:15am to 11:30am. Many thanks.

SPEED INDICATION DEVICES (SIDs) UPDATE: The SIDs are now in place and we have had the first look at the data which seems to show they have been effective. Thank you to all who are abiding by the 20mph, you are greatly appreciated. We would like to politely inform people that the SIDs don't only monitor you on your approach, but also as you drive away from them!

COUNTY COUNCILLOR UPDATE: County Cllr. David Fothergill shared his update at the October Parish Council Meeting. This included a reminder to all who qualify, that flu jabs and COVID booster vaccinations are available, so make sure to book yours. It is also not too late to join the Stoptober movement; the NHS website has plenty of support and resources if you are looking to quit smoking (quitting is supported all year round!).

DEFIBRILLATORS: Following a recent emergency at the Village Hall, the Parish Council is going to provide an additional defibrillator for use at the Village Hall and surrounding areas. Thanks are extended to Caroline Vaughan for her work in monitoring the current defibrillator to help ensure our safety - your hard work and commitment has been very much appreciated!

THE PARISH COUNCIL OFFICE OPENING HOURS ARE:

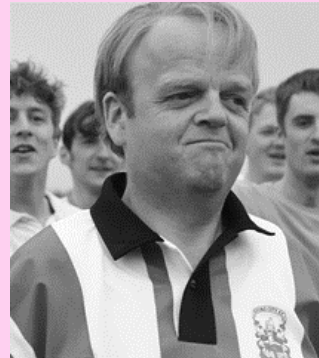

Wednesdays 10:00am – 1:00pm

Thursdays 1:00pm – 4:00pm

Telephone No: 01823 490136 or contact us at parishcouncil@northcurry.com

Parish Council Diary for November 2022 see the Parish notice Board, our Website and Facebook.

Our Parish Council Meetings are the second Wednesday of each month plus, just for any extra planning meetings needed, the last Wednesday of the month, both in the Meeting Room of our Village Hall at 7:30pm.

This month we have two inspiring true stories.

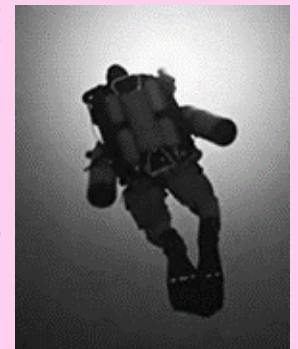

On **Saturday 12th November** we have a 'Saturday Special' (where we have an intermission with tea & cake). The film is the BAFTA Award winning drama **Marvellous** about the incredible life of Neil Baldwin, a man who has shrugged off his perceived limitations to live an incredible life.

The Village Hall doors open at 2:30pm. The film costs £5 plus a donation for refreshments.

Our Wednesday film on **23rd November** is the documentary **The Rescue**, about the enthralling, against-all-odds story that transfixed the world in 2018: the daring rescue of twelve boys and their coach from deep inside a flooded cave in Northern Thailand.

Doors & bar open at 7:00pm, with the film starting at 7:30pm. Also open to non-members (£5 on the door).

Please see our website: www.northcurryfilmclub.org.uk or [Facebook](#) page for updates.

Governor required

The Local Governing Body of North Curry Primary School would like to appoint a governor to join our team. You do not have to have experience, but you will be keen to learn about a governor role, be positive and interested in our school development and be able to offer useful skills possibly in finance/accounting. If you have any skills in that area, that would be of great benefit to the team, but we would also appreciate other skills. In return we offer you a friendly team and support in learning your role.

If you are interested, please contact the school office in the first instance.

We look forward to hearing from you.

Sue Horne,
Chair of Governors

Electric Vehicle chargers in North Curry

As mentioned a couple months ago, the Parish Council has, with the help of grants from Somerset West & Taunton and Climate Action Athelney, funded the installation of a pair of 22 kW EV chargers in the Village Hall car park. We trust that by the time you read this they will be available for residents and visitors alike. We hope they will give more confidence to anyone thinking of purchasing an electric vehicle even if they're unable to plug in at home.

Users will need the Charge Assist app on their phone to use these; this can always be downloaded on site if they don't already have it.

The Hall is particularly well-suited to host these as anyone charging up during the day will be using power from the solar panels – what could be better than running your vehicle off the sun?

NORTH CURRY W.I.

November is certainly a packed and busy month for North Curry W.I!

We start the month on Wednesday 2nd November with our meeting in the village hall. We will welcome Jennie Balham who is coming to show us how to make our own "Festive Garlands"

1:30pm is the start time, so that any ladies who will be collecting children from the school can get away in time. If this is YOU - you are very welcome to come to the meeting!

On Friday 4th November a group of members are going to the Octagon theatre in Yeovil for a "Burlesque evening" - should be fun!

On Saturday 12th November Sheila Billingham has very kindly offered to host a coffee morning at her home "Fosse End", between 10:00 and 12:30, to raise funds for the coach to take members to Wells for the Christmas Carol Service in the Cathedral [Wednesday 7th December].

And then, to round the month off, we will have our festive "Advent Party", on Wednesday 30th November, at the Village Hall at 1:30pm. We look forward to having a visit by some children from the school and enjoying them singing for us. It will be really good to welcome them to our celebration.

If you are hesitating about coming to the W.I. - please do come and see us - we would love to meet you!

North Curry and District Amateur Gardeners

Our next meeting is on **Friday 4th November** when our speaker is Derek Dexter who will talk on "Over-wintering fuchsias". Derek has grown and exhibited fuchsias for over 20 years and has won medals at the Hampton Court Flower Show. He will demonstrate how to keep your fuchsia plants over the winter. So, don't compost your plants yet - Saving them is going to save you money next year!

Meetings are held on the first Friday of the month at 7:45pm for an 8:00pm start. Guests and new members are always welcome so do come and join us for the talk and stay for coffee and a chat and biscuits afterwards.

Any queries or questions, contact Sue on 491658.

Music at the parish church

Sunday 13th November, 7:30pm

Nick Hart, folksinger: tickets now on sale at the village Post Office.

Raised in a family of morris dancers, Nick quickly discovered his passion for folk song. His love of the nuances of traditional singing informs his minimal guitar accompaniment, and his songs are delivered with great emphasis on storytelling. His repertoire of songs reflects his understanding of both the depth and breadth of material within the English tradition.

Sunday 27th November, 4:00pm

In Ecclesia: Benefice Advent Carols (not ticketed, just turn up)

The choir love singing beautiful music in beautiful places, bringing choral services to churches and singing in cathedrals up and down the land.

Musical Director John Young, Organist Simon Forrester

Next month:

Thursday 1st December, 7:30pm

Village Choir: Christmas Concert

Saturday 10th December, 5:00pm

On Wednesday 16th November, Anthony Gibson gives the next North Curry Society talk, titled **Farming, Floods and the Levels**. He is a Westcountryman, born in Devon, living in Somerset, who has spent most of his working life with the National Farmers Union, including fourteen eventful years as its South-West Regional Director, during which he was a key player in resolving clashes between farming and conservation on the Somerset Levels and negotiating environmental management agreements.

Anthony is a writer, commentator on cricket, countryside, farming and water management, champion of proper cider and real ale, and a keen (but - he asserts - no longer proficient) golfer.
